

## Tamperproof Bit Set, 32 Piece

This assortment of tamperproof magnetic screwdriver bits are precision-machined for exact fit. The steel is heat treated for long-lasting use. The durable PVC gray block allows for easy storage. The block slides over most screwdriver shafts for easy bit access. The bits meet or exceed applicable ASME / ANSI specifications.

### Specifications

|                          |   |                          |  |
